

CLEANSE AND DETOX PROGRAM

Healing God's Way

As we get into the spring season the thought process is all about "spring cleaning" so we bustle about preparing to start with cleaning our houses, but how about also cleaning the house that is most important to God? We are counselled that we should Glorify God with our bodies 1 Cor 6:20

Some of the components that make up this program are:

Parasite Detox tea will consist of herbs that will reduce inflammation, remove parasites, cleanse the liver, inhibit candida overgrowth, help with skin ulcers, and also have antioxidant rich compounds to prevent cellular and organ damage. They also help soothe **GI issues**, including **heartburn**, **stomach ulcers** and also **repair the stomach lining in the case of food poisoning**.

The herbs in the **Coloneze** is a gut repair and will tone and heal the walls of the colon so as to waste matter to move out, it will also help with digestion problems, it helps also with gout issues and in most cases wound healing. remove excess inflammation, relieve constipation, resolve heart burn and help with **bloating**, **excessive flatulence** and **dyspepsia** just to name a few.

Our **Cell repair** has natural substances that allow the body adapt to stress and support normal metabolic and system function. The herbs used consist of super foods, immune stimulants, **has antioxidant properties to retard free radical from killing the immune system, balance the hormones, slow down the aging process, anti-tumors, regulate liver function, enhance function of the mitochondria, and slow down biological aging process.**
